

## Apprenticeship

### Bricklaying Level 2

A career in the construction industry is like no other. Bricklaying is a core function within the construction sector, particularly the house building sector.

The Government has a target to build significantly more new homes over the coming years and therefore the demand for bricklayers has never been higher.

### Qualification Gained:

**Level 2 Bricklayer Apprenticeship Standard**

**Level 2 Functional Skills in Maths and English if appropriate**

#### Progression

Successful apprentices can progress, if opportunity allows, onto Level 3 Diploma in Bricklaying.

Work on large and small projects such as commercial and domestic developments and renovations.

#### Further details

Further details can be found at [InstituteForApprenticeships.org](http://InstituteForApprenticeships.org)

#### Who to contact
