

Apprenticeship

Carpentry and Joinery Level 2

A career in construction is like no other. Carpentry and Joinery are core functions with the construction sector., particularly the housing & building, and refurbishment sector. The government has a target to build significantly more homes over the coming years and therefore the demand for carpenters and joiners has never been higher.

Qualification Gained:

Level 2 Carpentry and Joinery Apprenticeship Standard

Progression

Successful apprentices can progress, if the opportunity allows, onto Level 3 Diploma in Carpentry and Joinery.

Work on large and small projects such as commercial and domestic developments and renovations.

Further details

Further details can be found at InstituteForApprenticeships.org
