Whatever your business, accurate accounts are essential. The Association of Accounting Technicians (AAT) courses give you the skills to carry out financial and administrative duties and can start you on a journey towards a career in accountancy.

**Bookkeeping Level 1** If you're new to bookkeeping this course will introduce the role of a bookkeeper as you learn simple techniques.

### Introduction to Accounting Software Level 1

The Level 1 Award in Accounting Software is the perfect starting point if you want to carry out basic finance and administrative duties using accounting software packages.

**AAT Level 2** Within the Level 2 course you will be introduced to more accounting tools and techniques and will study accounts preparation and costs and revenues.

**AAT Level 3** You will take your skills to the next level studying a number of topics including indirect tax, professional ethics in accounting and finance and spreadsheet software.

**AAT Level 4** At Level 4 you will study four compulsory units; financial statements, budgeting, financial performance and internal control and accounting systems. You will also study two optional units from the following four options; personal tax, business tax, external auditing and credit management and control.

## Why choose University Centre Southport?

---

We offer smaller class sizes meaning our students benefit from more contact time with their tutors and our fees are substantially lower than traditional universities. Many of our courses offer compressed hours over just one or two days, so it's easy to combine with work. We have also recently undergone a refurbishment programme bringing our dedicated HE classrooms and study areas up to date.

Our tutors are industry practiced professionals bringing years of experience with them and live briefs and industry links with key local businesses give students the valuable chance to link theory to practice. Our prestigious awarding bodies include UCLan and the University of Cumbria, meaning you can achieve a full honours degree here in Southport.
